MAY IT PLEASE THE TRIBUNAL:

1. In a memorandum of 19 February 2013 (#3.1.893), the Crown advised that Cabinet had approved a one-off appropriation for a contribution to claimant participation in the first two weeks for Stage Two hearings. As noted in memorandum-directions of the Tribunal (#2.5.152), the Crown advised that it would update the inquiry parties on the planned process for administering funds to claimants.
2. OTS officials are presently engaging with the working party that is assisting in the organisation of those hearings.
3. OTS is also working to determine a process for administering the contribution to tangata whenua witnesses. Further details of that process will be communicated to claimants and Tribunal staff once that process is finalised.
